

Through the AmazonSmile program, you can now donate a percentage of your Amazon purchase to St. James when placing an order.

Amazon donates **0.5%** of the purchase price of eligible products to the charitable organizations selected by its customers. St. James Catholic Church is registered with AmazonSmile as an eligible organization.

Taking advantage of this opportunity is easy. Simply log-on to smile.amazon.com. You will see a *welcome to Amazon smile you shop. Amazon gives.*

To the right of the screen, you will type **St. James Catholic Church** in the Search box as the recipient of the donation. *There are a number of St. James parishes from different areas, so when the list comes up, be sure to select the one from Charles Town.* This will bring you to the smile.amazon website where you will place your order. You only have to do this the first time; you will be automatically brought to our page on all subsequent logins.

If you have any questions, please call St. Zita's Cupboard at 304-725-5558 x228 or email zita@stjameswv.org.
